Cost-per-person formula

Total event cost divided by confirmed guests = cost per person. Add a 10-15% buffer so late changes do not create awkward group payment issues.

What makes a good venue?

- ☐ Clear package pricing and what is included.
- ☐ Simple travel route for most guests.
- ☐ Safety rules are easy to understand before arrival.
- ☐ Enough capacity for your group without splitting awkwardly.
- ☐ Useful nearby food, drink or transport options.

Red flags

Vague pricing, unclear age restrictions, no cancellation details, poor communication, or rules that only appear after payment.

06

BOOKING QUESTIONS

Ask before paying. These questions help avoid surprises on the day.

Price and package

- ☐ What exactly is included in the price?
- ☐ Is pricing per person or per room?
- ☐ Are there group discounts?
- ☐ What deposit is needed?
- ☐ What is the cancellation or reschedule policy?

Session and items

- ☐ How long is the smash session?
- ☐ What items are included to smash?
- ☐ Can we bring our own items?
- ☐ Are any items banned?
- ☐ Can we upgrade on the day?

Safety and access

- ☐ What PPE is provided?
- ☐ What footwear is required?
- ☐ Are there age restrictions?
- ☐ Do under-18s need a guardian?
- ☐ Is the venue accessible?

Logistics

- ☐ When should we arrive?
- ☐ Are waivers needed in advance?
- ☐ Is parking available?
- ☐ Are photos/videos allowed?
- ☐ Is there space for bags or coats?

RSVP rule

Give guests a clear payment deadline. If the venue requires a deposit, avoid paying for people who have not confirmed.

08

INVITATION TEMPLATES

Use these as WhatsApp, SMS or email templates.

Birthday smash

Hey [Name], I am celebrating my birthday with a rage room session at [Venue] on [Date]. It is [price] each. Want in? RSVP by [date]. Closed-toe shoes required.

Date night

I found something different for us: a rage room session on [Date], then food after. I will handle the booking if you are free.

Breakup reset

We are turning a rough week into a funny night out. Rage room on [Date] at [Venue], then drinks/food after. Want to join?

Group night

Plan: rage room at [Venue] on [Date], arrive [time], session starts [time]. Budget is around [price] each. Reply yes/no by [RSVP date].

Better invite wording

Include price, date, location, dress code and RSVP deadline in the first message. Fewer follow-up questions means faster confirmation.

09

WHAT TO WEAR AND SAFETY

Send this to guests before the event. Venue rules always come first.

Wear

- ☐ Closed-toe, closed-heel shoes
- ☐ Comfortable clothes
- ☐ Long trousers where possible
- ☐ Hair tied back
- ☐ Venue-provided PPE

Avoid

- ☐ Sandals, heels or open shoes
- ☐ Dangling jewellery
- ☐ Loose scarves
- ☐ Fragile outfits
- ☐ Anything that affects grip

Bring

- ☐ Photo ID if required
- ☐ Water
- ☐ Hair tie
- ☐ Phone with secure pocket
- ☐ Booking confirmation

Guest reminder message

Reminder for [Event]: please arrive by [time], wear closed-toe shoes and comfy clothes, and follow all venue safety instructions. The venue may ask us to complete waivers before the session.

Important

This pack does not replace venue rules, waivers or staff instructions. If a guest is unsure whether they can participate, they should contact the venue directly.

Use this as a quick guest reference

10

ITINERARY AND TRAVEL

Create a simple run sheet everyone can follow.

Time	Activity	Owner	Notes
	Meet / travel		
	Arrive and check in		
	Waivers / PPE		
	Safety briefing		
	Smash session		
	Group photo		
	Travel to food/drinks		
	After-party / unwind		
	Head home		

Timing tip

Build in buffer time. Groups usually run late when waivers, footwear, travel and food bookings are involved.

11

FOOD AND AFTER-PARTY PLAN

The rage room is the anchor. The full night still needs food, travel and downtime.

Before session

Best for nervous guests or daytime plans. Keep it light so people are comfortable during the session.

After session

Usually easiest for birthdays and groups. Everyone can relax after the activity and compare stories.

Nearby option

Pick somewhere within 10-15 minutes of the venue if possible. Long transfers can kill the group energy.

Backup plan

Have a second food/drink option in case the first place is full, delayed or too expensive for the group.

Ask the venue what is allowed. Then capture the fun without slowing everyone down.

- ☐ Everyone gearing up
- ☐ First swing reaction
- ☐ Biggest smash moment
- ☐ Slow-motion clip
- ☐ Birthday person / guest of honour
- ☐ Before-and-after shot
- ☐ Food/drink after the session

Content rules

- ☐ Check venue photo policy
- ☐ Keep phones secured
- ☐ Avoid blocking staff
- ☐ Do not film anyone who objects
- ☐ Use short clips, not long videos
- ☐ Take one clean group shot for socials
- ☐ Get consent before posting
- ☐ Tag venue only if appropriate
