First-timer tip

Venues differ. Treat this pack as preparation, not a substitute for the venue's briefing, waivers, age rules or staff instructions on the day.

02

WHAT HAPPENS

A typical first visit, from arrival to the final briefing. Exact timings vary by venue.

1 Arrive early

Most venues ask you to arrive 10-15 minutes before your session for check-in and waivers.

2 Check in & waivers

Confirm booking, show ID if asked, and complete any liability waiver.

3 Suit up

Put on venue PPE: typically overalls/cover, gloves, eye protection and sometimes a helmet.

4 Safety briefing

Staff explain rules, stance, what you can smash, and what is off-limits.

5 Smash session

Supervised time in the room - usually around 15-30 minutes depending on package.

6 Wrap up

Return gear, take photos if allowed, and leave when staff clear the room.

Reality check

It is loud, physical and supervised. You do not need to be angry - most first-timers are there for fun, novelty or stress release.

03

WHAT TO WEAR & BRING

Send this to anyone joining you. Venue rules always come first.

WEAR

- ☐ Closed-toe, closed-heel shoes
- ☐ Comfortable clothes you can move in
- ☐ Long trousers where possible
- ☐ Hair tied back
- ☐ Venue-provided PPE over clothes

AVOID

- ☐ Sandals, heels or open shoes
- ☐ Dangling jewellery
- ☐ Loose scarves or long chains
- ☐ Fragile or expensive outfits
- ☐ Anything that reduces grip

BRING

- ☐ Photo ID if required
- ☐ Booking confirmation
- ☐ Water bottle
- ☐ Hair tie / spare clips
- ☐ Phone with a secure pocket

Guest reminder message

Reminder for [Venue] on [Date]: please arrive by [Time], wear closed-toe shoes and comfy clothes, and follow all venue safety instructions. Bring ID if requested and expect to sign a waiver.

Important: this pack does not replace venue rules, waivers or staff instructions.

04

CAN I TAKE PART?

A practical self-check before you book. If unsure, contact the venue - do not guess.

Not medical advice

Self-check

☐ I meet the venue's minimum age (or have a guardian if required).

☐ I can wear closed-toe shoes and stand for the session.

☐ I am comfortable with loud noise and physical activity.

☐ I do not have an injury that swinging a bat/hammer would worsen.

☐ I understand I must follow staff instructions at all times.

☐ I am happy to sign a waiver if the venue requires one.

☐ I have checked pregnancy / health restrictions with the venue if relevant.

☐ Anyone in my group who is unsure will contact the venue directly.

If you answer no / unsure

Email or call the venue with a short description of your concern before you pay. Ask about age limits, pregnancy policy, accessibility, and whether a spectator option exists.

Decision rule

If the venue cannot clearly answer your safety or access question, shortlist another venue before booking.

05

VENUE QUESTIONS

Ask before paying. Copy/paste the opener at the bottom.

Booking basics

- ☐ What exactly is included in the price?
- ☐ How long is the smash session?
- ☐ What is the deposit and cancellation policy?
- ☐ Is pricing per person or per room?

Safety & access

- ☐ What PPE is provided?
- ☐ What footwear is mandatory?
- ☐ What age / health restrictions apply?
- ☐ Can I review the waiver before arrival?

On the day

- ☐ When should we arrive?
- ☐ Are photos/videos allowed?
- ☐ Is there parking or nearby transport?
- ☐ Is there space for bags/coats?

Copy/paste opener

Hi, I am booking a first-time rage room session for [number] people on [date]. Could you confirm package options, session length, PPE, footwear rules, age restrictions, arrival time, waiver process and cancellation policy? Thanks.

Red flags

Vague pricing, unclear age rules, no cancellation details, poor replies, or safety rules that only appear after payment.

Notes for the day

Save proof

Keep the confirmation email, payment receipt and any waiver links together. If plans change, contact the venue as early as their policy allows.

07

WAIVER & ARRIVAL

Use this the day before and again as you leave for the venue.

Before you leave home

- ☐ Booking confirmation saved offline / screenshot
- ☐ Closed-toe shoes on
- ☐ Hair ties packed if needed
- ☐ Travel route checked (buffer for delays)
- ☐ Know the arrival time (not just session start)

At check-in

- ☐ Arrive 10-15 minutes early
- ☐ Complete waiver calmly - read key terms
- ☐ Tell staff about any access needs
- ☐ Store bags/valuables as directed
- ☐ Listen fully to the safety briefing

In the room

- ☐ Wear all PPE correctly
- ☐ Follow staff spacing and turn-taking
- ☐ Only smash approved items
- ☐ Stop immediately if staff say stop
- ☐ Keep phones secured if allowed at all

Waiver tip

If the venue emails the waiver in advance, complete it before you arrive. It reduces queue time and last-minute stress for first-timers.

Staff instructions override this checklist. If anything feels unclear, ask before the session starts.

08

DAY-OF TIMELINE

Sample timing for a first visit. Adjust to your booking confirmation.

Time	Activity	Owner	Notes
-45 min	Leave home / travel	You	Build buffer for traffic
-15 min	Arrive & check in	You	Waivers + store bags
-5 min	Suit up / PPE	You + staff	Follow staff guidance
0	Safety briefing	Venue staff	Listen fully
+10	Smash session	You + staff	Typical window varies
+30	Photos / exit	You	Only if venue allows
+40	Food / decompress	Optional	Nearby cafe or home

Timing tip

First visits run late when people underestimate travel, footwear changes or waiver time. Aim to be early rather than exactly on time.

09

COMMON MISTAKES

Avoid these first-timer pitfalls so the session stays fun and safe.

1 Wrong shoes

Open shoes are the most common reason people are turned away or delayed.

2 Arriving exactly on time

You need check-in + waiver time before the session clock starts.

3 Skipping the briefing

Rules protect you and others. Listen even if you have been before elsewhere.

4 Assuming all venues match

PPE, items, photo rules and age limits differ - always confirm.

5 Overpacking jewellery

Remove dangling jewellery before you suit up.

6 Booking without asking

If anyone in the group has access/health questions, ask first.

7 No payment / ID ready

Have confirmation and ID available to avoid awkward delays.

8 Expecting therapy

This is entertainment. Enjoy it as a novel, supervised activity.

Mindset for first-timers

You do not need to smash harder than everyone else. Focus on safety, listening to staff, and enjoying the novelty.

10

AFTER YOUR SESSION

Optional prompts if you want to capture the experience - keep it light.

1. What surprised you most?

2. What would you tell a friend going for the first time?

3. Would you go again - solo, couple or group?

4. Any venue tips worth saving for next time?

Share carefully

- ☐ Check the venue photo/video policy before posting
- ☐ Do not tag people who prefer privacy
- ☐ Credit the venue only if appropriate

Next step

If you loved it, consider gifting a session or planning a group night with the Party Planner Pack.

11

FINAL PREP CHECKLIST

Tick everything before you leave for the venue.

☐ Venue booked and confirmation saved☐ Arrival time and address shared with anyone joining☐ Closed-toe shoes ready☐ Comfortable clothes chosen☐ Hair tie / ID / water packed if needed☐ Travel plan includes a time buffer☐ Venue footwear, age and PPE rules re-checked☐ Waiver completed in advance if available☐ Questions about access/health already asked (if any)☐ Phone charged; booking screenshot offline☐ After-session plan decided (optional)☐ Everyone knows: listen to staff, follow PPE rules

Final note

A first rage room visit works best when the admin is handled early. Arrive ready, listen to the briefing, and leave the chaos for the room.

You're ready

Plan well. Stay safe. Enjoy the smash.
